

# MOVING AROUND: TRACING MOBILITY IN THE ARCHAEOLOGICAL RECORD

Tuesday 09<sup>th</sup> – Friday 12<sup>th</sup>  
May 2023

Round Table – Friday 12<sup>th</sup> May  
OPEN TO THE PUBLIC

Dipartimento di Storia Culture Civiltà  
*Alma Mater Studiorum* - Università di Bologna  
Piazza San Giovanni in Monte 2  
Bologna

Astrid Amadiou

## Tuesday 9<sup>th</sup> May

### *Dipartimento di Storia Culture Civiltà, Aula Grande*

#### 14:00 – 14:30, Welcome Speech

Haris Procopiou (Professor of Aegean Prehistory – Paris 1, director of the EUR ArChal)

Elise Morero (Doctor in Aegean Prehistory – Paris 1, manager of the EUR ArChal)

Pascal Butterlin (Professor of Ancient Near East Archaeology – Paris 1, Chair of EUR's Challenge 3 and co-organiser of the training week)

Maurizio Cattani (Associate Professor of Prehistory and Protohistory – UNIBO, co-organiser of the training week)

#### 14:30 – 15:30, Keynote Lecture on Mobility by Jean-Paul Demoule

(Emeritus Professor of European Protohistory – Paris 1, and member of the *Institut Universitaire de France*)

#### 15:30 – 16:20, Tracing mobility through building materials and techniques in the Ancient Near East.

Martin Sauvage (Research Engineer CNRS – UMR 7041, ArScAn)

*16:20-16:35, Coffee break*

#### 16:35 – 17:25, New interdisciplinary methods for tracking human mobility in archaeological contexts.

Claudio Cavazzuti (Senior Assistant Professor of Prehistory and Protohistory, Department of History and Cultures – UNIBO)

*(Discussion)*

## Wednesday 10<sup>th</sup> May

### *Dipartimento di Storia Culture Civiltà, Aula Grande*

#### 9:00 – 9:50, Approaching mobility: Late Prehistory in Europe.

Gonzalo Ruiz Zapatero (Professor of Prehistory–UCM)

#### 9:50 – 10:40, Moving Objects from the Bronze Age (MOBA): these particular objects which probably travel with their owner (some examples from the National Archaeological Museum).

Rolande Simon-Millot (Chief Curator at the *Musée d'Archéologie Nationale*, Saint-Germain-en-Laye, Neolithic and Bronze Age collections)

*10:40-11:00, Coffee break*

#### 11:00 – 11:50, Mobility, Diplomacy and the Exchange of Goods, Knowledge and Technologies in the Late Bronze Age of the Near East.

Dominik Bonatz (Professor of Ancient Near Eastern Archaeology – FUB)

#### 11:50 – 13:10, Conception d'un projet de thèse en lien avec les défis de l'EUR ArChal (exemples).

PhD students of the EUR – Alberto Brutto, Aura Fossati, Valentin Loescher, Clémentine Martal, Théo Mespoulet et Alexandre Valette

**Presentation by UNIBO Master students of their research thesis on mobility.**

*(Discussion)*

*Lunch break*

#### 14:30 – 15:20, Mobility of Writing Systems in Ancient Elam (Fourth-Second Millennia BC): Proto-Elamite, Cuneiform, Linear Elamite.

Gianni Marchesi (Associate Professor of Assyriology, Department of History and Cultures –UNIBO)

#### 15:20 – 18:00

Visit to the Civic Archaeological Museum of Bologna, Prehistoric and Etruscan collections.

## Thursday 11th May

*Dipartimento di Storia Culture Civiltà, Aula Grande*

*Via videoconference before the coffee break:*

**9:30 – 10:20, Three millennia of inter-island mobility among Pacific Island societies: archaeological evidence, ethnographic data, anthropological theory.**

Aymeric Hermann (Researcher in Pacific Archaeology – CNRS, UMR 8068, Temps)

**10:20 – 11:10, Jouer à cache-cache avec homo sapiens : entre Taiwan et Kyūshū saisir et évaluer la nature de la présence des premières sociétés humaines en mer de Chine Orientale.**

Laurent Nespoulous (Lecturer - Department of Japanese Studies, INALCO)

*11:10-11:30, Coffee break*

**11:30 – 12:20, Mobility and technological transfers in the eastern Mediterranean during the Bronze Age.**

Haris Procopiou (Professor of Aegean Prehistory, University Paris 1)

**12:20 – 13:10, Where are my relatives? Sharing cultural traditions and technologies through mobility and exchange.**

Maurizio Cattani (Associate Professor of Prehistory and Protohistory, Department of History and Cultures – UNIBO)

*Lunch break*

**14:20 – 15:10, Mobility and identity in Preroman Italy: issues and perspectives studying epigraphy.**

Andrea Gaucci (Associate Professor of Etruscology and Italic Antiquities, Department of History and Cultures – UNIBO)

**15:10 – 16:40, Tell me what you eat and I will tell you who you are: a multidisciplinary approach to community, subsistence and mobility in the Upper Seine Valley (France) during the Bronze Age.**

Rebecca Peake (Project manager at the INRAP, Bronze Age and early Iron Age, UMR 6298, ARTEHIS)

*16:40 – 17:00, Coffee break*

**17:00 – 17:50, Population dynamics in the 3rd millennium BCE. An archaeological perspective on recent paleogenetic evidence.**

Elke Kaiser (Professor of Prehistoric Archaeology – FUB)

**17:50 – 18:30, Presentation by Paris 1 Master students of their collaborative projects on the EUR's challenges.**

**Friday 12<sup>th</sup> May**

**9:30-12:30**

*Dipartimento di Storia Culture Civiltà, Aula Giorgio Prodi*

## **Interdisciplinary Round Table Between Past and Present**

With

**Francesco Iacono** (Associate Professor of Prehistory and Early History, Department of History and Cultures – UNIBO)

**Timothy Raeymaekers** (Associate Professor of Economic and Political Geography, Department of History and Cultures – UNIBO)

**OPEN TO THE PUBLIC**

*Lunch break*

**Afternoon – Visit of the Etruscan-Celtic site of Monterenzio (Apennines mountains)**

Astrid Amadiou
